

Nissan Forklift

Nissan prides itself on reaching overall customer fulfillment when their customer is enjoying one of their various trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to delivering high value and meticulous quality values to their customers. Incorporating a fruitful heritage combined with strong manufacturing principals, Nissan Forklifts supply many of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to providing consumer support, the business has four distinct production facilities that permit them to persistently adapt to their clients continually evolving wishes by providing an assortment of innovative ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, fashioning, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental responsibility by using methods and procedures that limit their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their clients require while being an environmentally responsive organization.

Nissan is assured that they will be able to address any buyer inquiries or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their locally authorized sellers or even traveling to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
